Docket No. 98-N-1265
Food and Drug Administration
5600 Fishers Lane Room 1061
Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

This limitation would compromise my quality of life. The specialty services provided by this type of service are not available in my area. I should have the right to choose my own health care needs -
